THE GROUNDS

Highlands Eco Estate Site and Communal Areas

SITE FACILITIES

MAIN LODGE

Influenced by the architecture of the stately log manors found in the Swiss Alps, Highlands Estate lodge offers a unique combination of homeliness and grandeur. The grand entrance hall is complete with a 24 seater banqueting table, crystal chandeliers, an additional dining area, two lounge areas, a bar, two fireplaces, air con, Wi-Fi and two TVs with DSTV. Two of the five en-suite double rooms are on the second storey of the main lodge.

POOL & SAUNA

The rim-flow pool is 12 metres long and overlooks the gorgeous valley below and Mouton Mountain beyond. Pool loungers are provided for poolside tanning. A sauna provides relaxation on the undercover patio.

KITCHEN

The lodge comes with a fully equipped hotel-style kitchen with ample fridge space and gas cooking facilities. A full compliment of trained in-house staff is on hand to assist with all your catering needs (full service and event packages only).

ENTERTAINMENT AREA

The outside undercover entertainment is complete with two built-in stainless steel barbeque and grills, a pizza oven, a solid countertop for casual seating or to be used as a food preparation area and an outdoor picnic table for intimate braais and a large lapa area. Outdoor and indoor surround sound speakers set the mood for entertaining, alongside the spectacular sunset views.
